Dear all
As agreed, we shall have an online meeting 9th December 2021 at 2 pm CET. The agenda is:

1. ToT in Denmark... 3 days + 2 travel days
    1. When shall it be? We decided in Timisoara that it should be the last week of January 2022 (25-27. 1. 2022.

       But Camil has suggested to move it to 28/2-2/3 2022. What do we decide... we have to do the ToT before April 2022.

2. Who will participate in the ToT and study visit in Denmark from each partner? (pls. send a list)

3. What is the situation concerning the mapping/desciption of your creative and cultural sector?
   We agreed that all partners made such a short reporting. We suggest a deadline 15th January 2022.

4. Can all partners send their time sheets for 2021 (until 20th January 2022)
   Plus, the travel documentation for the transnational meetings

5. ETC.

Best regards
Henrik H
